# Spirit Week

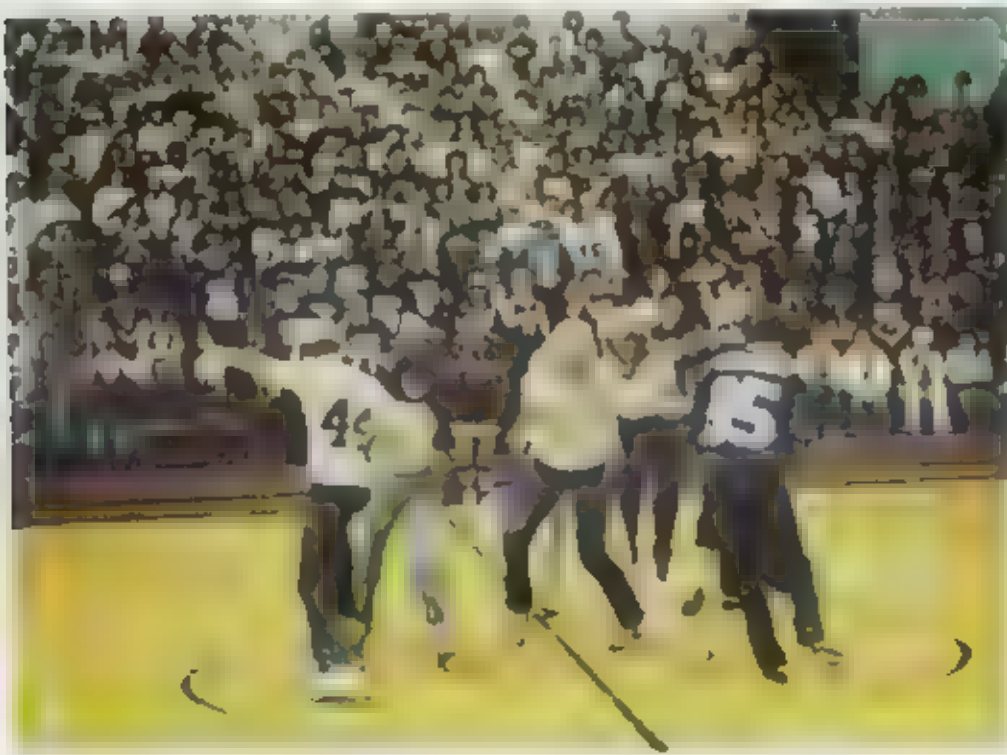

Was it a busy week? "You bet!" This is one of the busiest weeks of the year for the student body. The hard work paid off for everyone.

The annual spirit week gave the students a chance to show off their school pride. This year it was held during the week of October 17 thru 22nd. During that week all students were to dress according to the day Monday was grub day, Tuesday was class color, Wednesday college day, Thursday was dress up day, and Friday was blue and white day. Friday was also the day the assembly was held to find out the final victors.

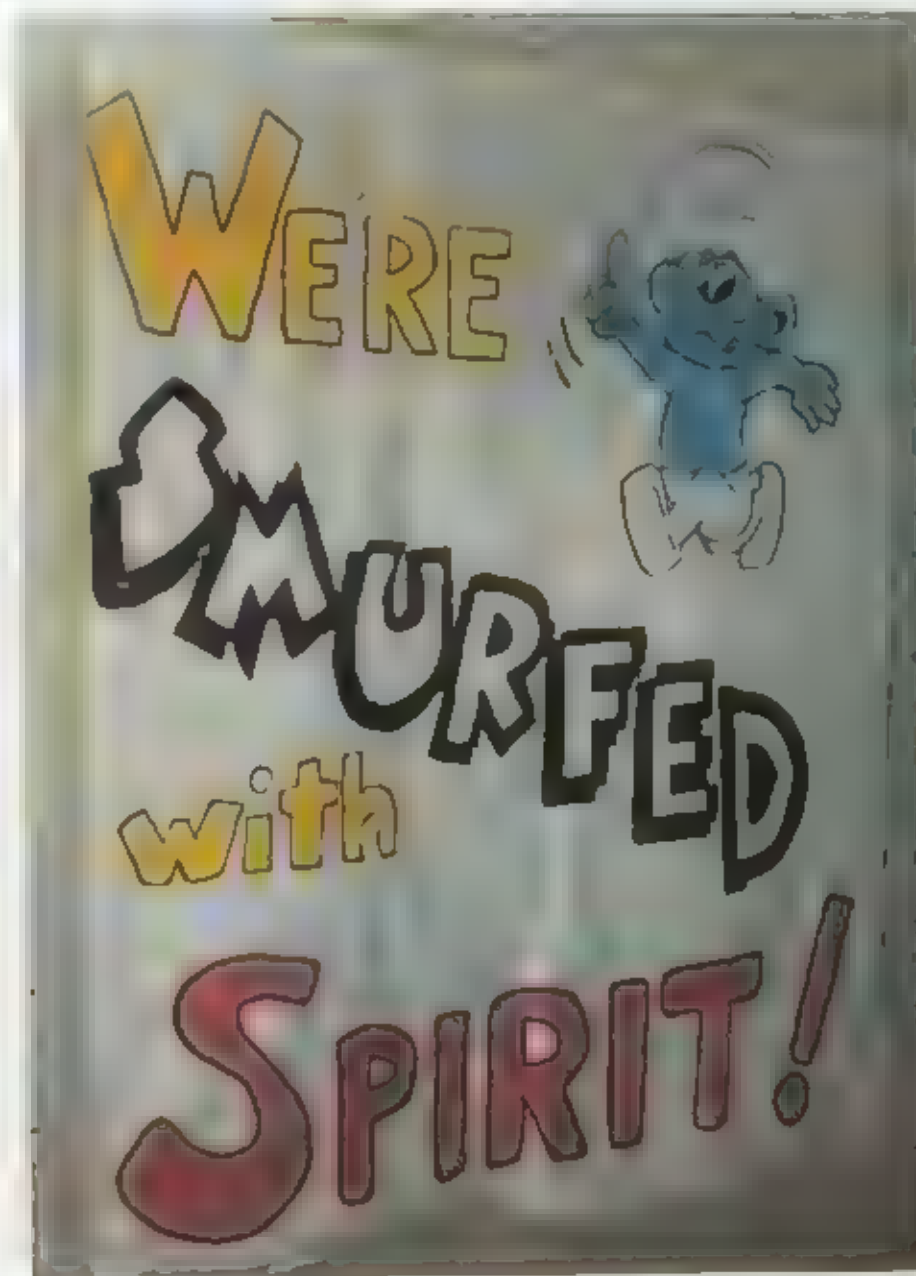

Each class was assigned to a hall and a theme. The halls were decorated and judged on originality and quality. For the third year in a row, the class of 85 came out on top, their theme was "Junior Jedi". The Sophomore class came in second with "Sophomore Surf", the Freshmen in third with "Freshmen Fairytales", and the Seniors in fourth with "Senior Scrapbook."

On the night of October 17 the battle between the Juniors and the Seniors began. By the end of the night, the seniors, returning victors from last year had won the game. The final score was 36-6. This was the second time a team had won two years in a row. The senior team was led to victory by their coaches Mark and Russ Ruhaland. The junior team, put up a good battle, was coached by Terry Peabody.

This night was a great beginning for the annual spirit week. It will also go down in the history at for Glenn for being the first night a king was crowned at Congradulations to everyone involved!

The ballots were handed out, the votes were counted, and the king and queen were announced. Was it all worth waiting for? To the twenty court members it sure was.

This was the first year in the history of Glenn for kings court. King Eric Gasta was crowned at the half time of the Junior-Senior Powderpuff game on October 17. It was a memorable evening for Eric and his court.

The queen's court members arrived at the October 22nd Homecoming game in style. They turned many heads as their limousines pulled into the stadium and they anxiously awaited the announcement of the '83-84 Homecoming queen. At halftime Kristin Edwards found herself wearing the crown.

# Having Fun . . .

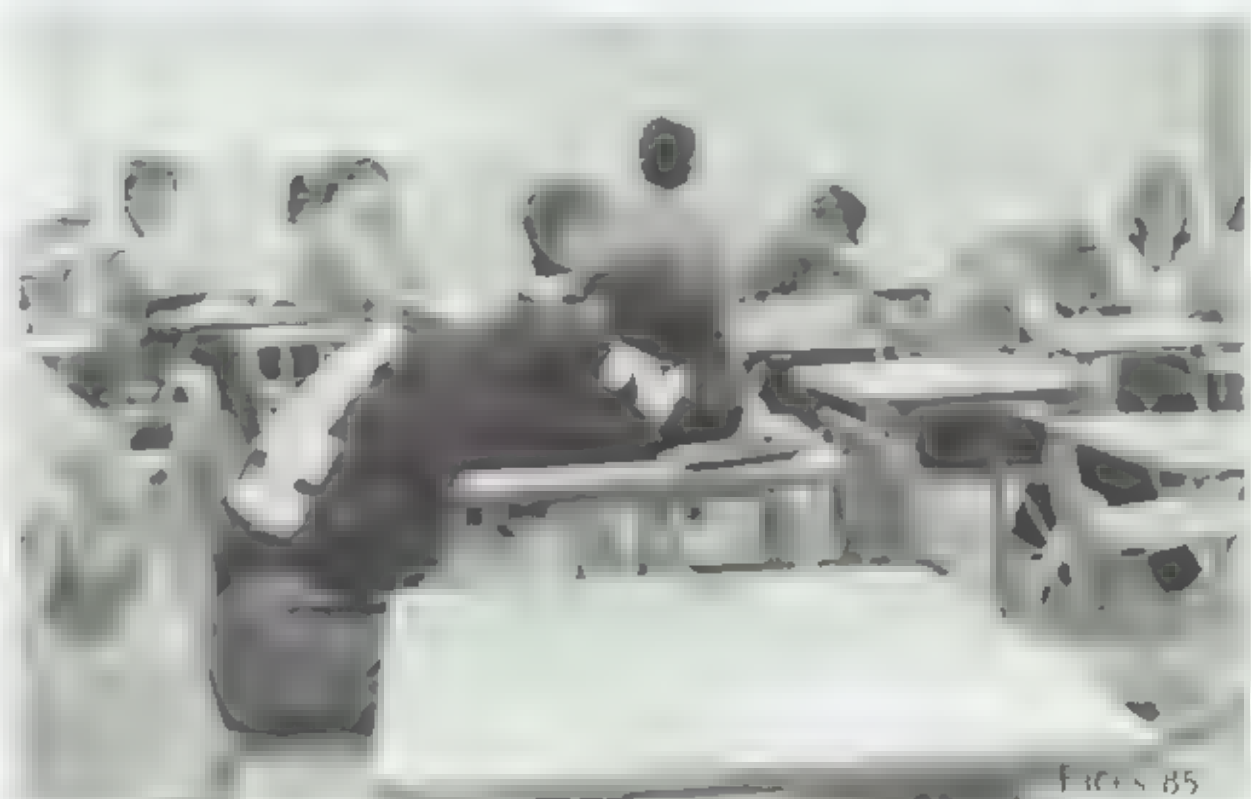

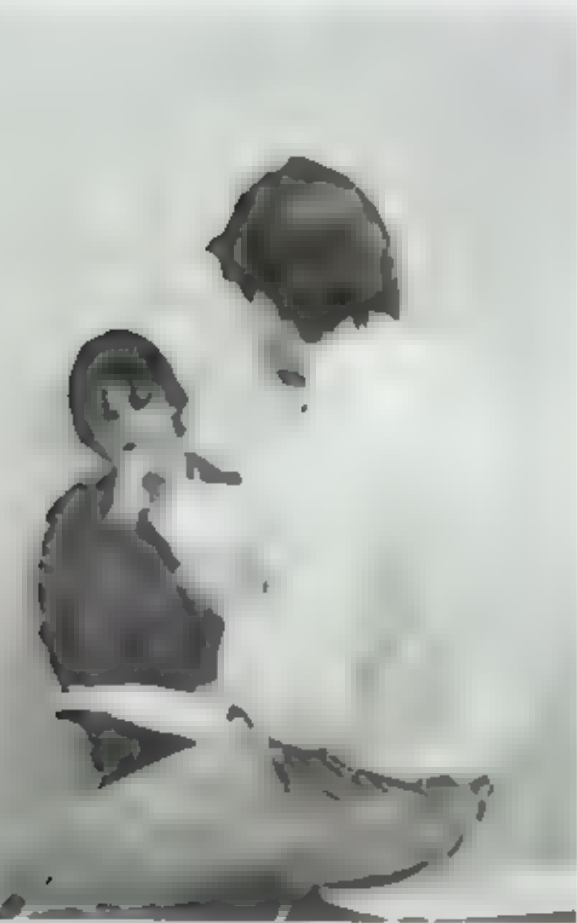

FACES

# School Store . . .

# The Bobcat Bazaar Shop

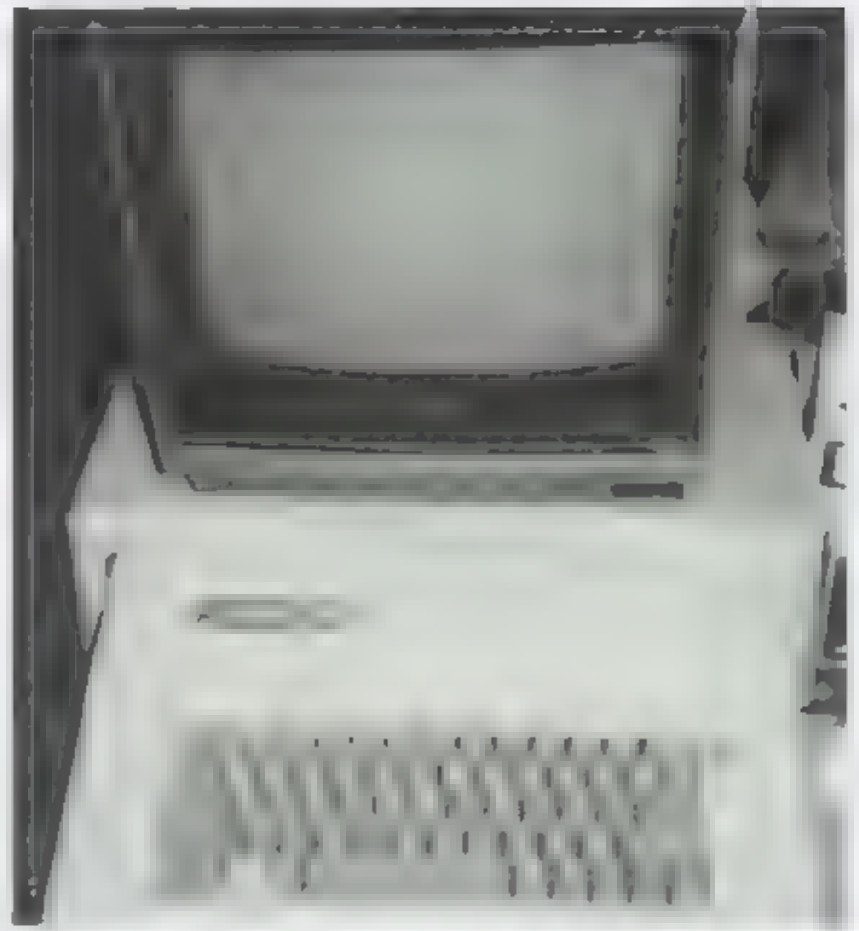

This is Merchandise Training, otherwise known as the Bobcat Bazaar Shop . . . the school store that sells more than paper and pencils. By selling candy, shorts, shirts, jackets, and spirit supplies among a variety of other items, the students learn to work with each other and about business, retailing, and operating the store.

# Computers

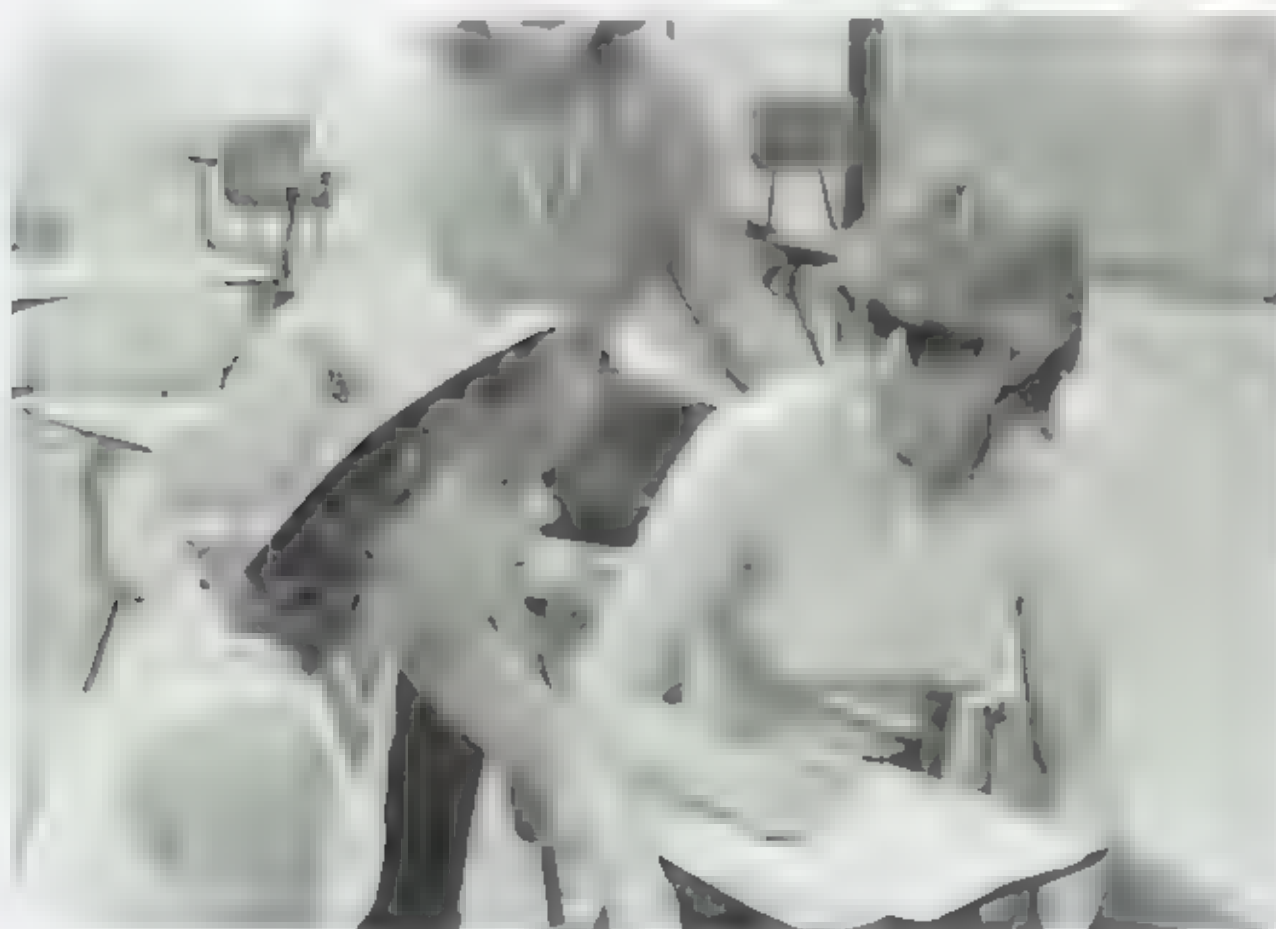

"Computers the way of the future," that is what we used to hear, but the "Future" is now. This year Bangor Schools introduced computers to the classroom. The high school courses served to show beginning programming, as well as some advanced learning

# Sweetheart Dance

The traditional Valentines Dance sponsored by the cheerleaders was held again this year. The "Sweetheart Celebration" allowed for many fun times for all to remember.

For more information, contact the cheerleaders at the school. The Sweetheart Dance is a great way to spend the evening with your sweetheart.

# Graduation

Graduation day for the class of '84 came and went quickly. After spending four years at J.G. the class assembled all together for the last time to hear parting words from the Class President Marcia Thomas, and to end the ceremony Principal, Mr. Hileman. The day was a milestone in everyone's life, an ending but yet a new beginning. For most, plans were already made for the next year but some still had that decision to make. Whatever situation they were in, the turning of the tassel had a very special meaning. GOOD LUCK CLASS OF 1984

A memory is a picture  
tucked away in your heart  
to make a happy moment  
last a long, long, time

May the many happy memories of  
your '83-'84 school year be the kind  
that are special ... the kind that  
make you SMILE

The 1994 Bazar Yearbook was put together by the students, for the student. Yearbook class was not offered this year so the production of "The Kids Are All Right" was done on our own time. Some skeptics said it couldn't be done and even with the many problems we did encounter, the final page is proof that we accomplished what we set out to do.

I sincerely hope this book brings back many memories for everyone of the school year.

Mike,  
Go ahead and put in a bid for  
the car project. Cool  
idea for the project.
